THE POURTH OF JULY AND BANK URAGES .-The paragraph which we published the other day correctly states the law in New York in regard to notes falling due on or about the fourth of July. But such is not the law nor the usage of the banks in South Carolina.

THE BALTIMORE STEAMER sailed at one o'clock yesterday, carrying a large cargo of cotton, rice and sundries for Baltimore, Philadelphia, Bos.on, and the cities of the Northwest. The first shipment of rosin from Charleston to Chicago is on board the Maryland this trip.

BEFORE THE MAYOR, yesterday, were eight persons who had imbibed too freely of "fusil oil." Among them was one poor fellow who, while asleep, was robbed of his pocket book, hat, coat and vest. In addition to these getting drunk.

DRUG LABRIS. - We desire to call the attention of druggists in the city and throughout the State to the peculiar facilities of THE NEWS Job Office for printing all kinds of drug labels, prescription blanks, &c., at the shortest notice, and in a style unsurpassed anywhere in the country. Our stock of cuts, borders and cy type is unusually large and choice. Call and examine specimens of work.

A Cool DRINK .- One of our exchanges has a novel recipe for a pleasant summer drink. We have not tried it, but it may be good: "Take a spoonful of whiskey and drop it care fully on the bottom of a wineglass; then take a quart of water and throw it out of the window. and add more whiskey to that in the glass. Taste to see if strong enough. If so, add more whiskey. Let this preparation stand till you are dry, and then drink it clear,"

CABOLINA MUTUAL INSURANCE COMPANY .-The annual meeting of this company was held in the hall of the German Engine Company yesterday morning, when the following named entlemen were elected the Board of Directors for 1869-70: John A. Wagener, President; Wm. Brunjes, Treasurer; H. Klutte, Secretary; Ward No. 1, E. J. H. Fischer; Ward No. 2, J. P. Merkhardt; Ward No. 8, E. H. Stelling; Ward No. 4, P. C. Schroder; Wards Nos. 5 and 7. D. Bulwinkle; Wards Nos. 6 and 8, Fr. Streckfore.

ESCAPES FROM THE PENTTENTIARY .- The Columbia Phonix, of yesterday, says: "A color petition was granted. ed convict, named H. Jones, who had been convicted in one of the lower counties in this State of murder, and sentenced to ten years in the penitentiary, but who was a short time since detailed as a servant at the Superintendent's residence, and permitted to be at large, best his wife a tew days since and left for parts unknown. Another convirt, whose name we did not learn escaped from the guard a few mornings since and made tracks through the city to the Fair Grounds, trampling down the cotton planted there in his route. He changed his shaped dress for a United States soldier's suit, while running, which created considerable merriment among those who saw him. He has not been recaptured as yet."

BUBGLARY.-Late on Wednesday night last the ladies of Mr. Wood's family, residing on East Bay, just north of the "burnt district," were aroused by some one moving about the house, and gave the alarm. Mr. Wood arose, and on looking around observed a negro moving about. The negro ran off, hotly pursued by Mr. W., but by jumping over a fence into an adjoining yard he managed to effect his escape. Mr. W. then proceeded to fasten up his premises, and in doing so observed that the shal. paint shop of Mr. A. S. Freitas, near by, was open. An examination showed that the locks four wooden packages found at Charlotte and had been broken, and everything in-ide was in confusion. Mr. F. lost only a small amount of order was entered; as was the case with sevmoney which was in his drawer, but the bur- eral other wooden packages of tobacco found glars, in searching for valuables, had thrown all of his goods in a terrible state of disorder. Mr. F. had just paid his taxes, and is rather put out that he had paid to have his property pretected, but, as shown, it was entirely unprotected. This makes the second time that ing was given and the case continued until tohe has been robbed.

PERSONAL -Ex-Governor Jenkins, of Georgia, and family have gone to Europe. The host of friends of General A. C. Garling-

ton will learn with regret that he is about to leave Newberry and make his home in Atlan-Colonel Richard Lathers, of New York, and tive participation in the insurance business,

formerly of this State, having retired from achas been presented by his late associates in the company, over which he so long and successfully presided, with a grand service of

CRUMBS.—The position of Clerk of the Market is sought for by several parties, among whom are the present officer, William Kirkword, W. T. Lovett, member of the detective force, and John W. Slawson.

It is asserted that a box of Eu Thu Nika-the olored people's friend, as it renders woolly hair pliable, roftening and straightening the knottiest of it-has been received here, and the Fourth of July celebrationists will appear without curly hair, a distinctive mark of their

Officer S. J. Coates, of the detective force is running for the office of Harbormaster. The interest due yesterday on the city six per cent. stock will be paid by the City Treasurer, on and after the 5th of this month.

W. A. Quinn, a member of the detective force, is a candidate for City Sheriff. Thos. A. Caragher is a candidate for the as-

istant assessorship. - Yesterday Captain Habenicht received from the Secretary of State a communication notifying him of his appointment as Commissioner

of Pilotage. Nearly every member of the detective force is applying for a city office.

Mr. E. Baynard Seabrook is prominently poken of among the Republican party gossips for the City Attorneyship, and will probably be elected. Messrs. H. Cobia & Co. are reconstructing

the building adjoining their place of business in Vendue Range. Mr. H. Cross is doing the brick work, and Mr. D. G. Wayne the wood

The Charleston Post of the Grand Army of the Republic will shortly establish another post exclusively for the colored men. The awning frame, erected by Mr. C. Werner

for Messrs. Paul, Welch & Brandes, in front of their house on East Bay, is so tastily finished, and at the same time so light and elegant as to attract general attention. As misery loves company, it may be some

satisfaction to our citizens to know that on yesterday the thermometer in Columbia stood at 102, and in Savannah at 99. The material of the Charlestoner Zeitung

was purchased yesterday by Messrs. Erckmann & Bever.

THE POLICE FORCE.THE CANDIDATES FOR CAPTAIN AND LIEUTENANTS. -It is generally understood that at the meeting of Council on Tuesday night next, called especially for the purpose of electing city officers, the entire session will be occupied in discussing matters connected with the police department, and will result only in the election of the officers for the force, viz: a captain and three lieutenants. For the office of Captain, H. W. Hendricks,

B. W. Willoughby, H. H. Hicks, C. B. Sigwald and Wm. N. Taft are, we learn, candidates. Hendricks is at present the captain of the force ; Willoughby is an ex-officer of the Federal army; Hicks was formerly a detective officer; Sigwald was, at one time, captain of the force ; Taft is an ex-lieutenant of the third Bhode Island battery. Each faction of Council held a caucus on Wednesday afternoon, and resolved to unite on Major Willoughby. Those who have counted noses state that on the first ballot Willoughby will get seven, Hendricks six and Sigwald five votes; on the second ballot the votes for Sigwald will be cast for Willoughby, which will elect him.

For the office of Lieutenant there are numerous candidates, but so far as we are able to earn, no agreement has been made between the factions, and, therefore, who will be the lucky ones is still a matter of doubt. Among the candidates are A. E. Philippi, a member e had to pay a fine of \$5 for ored member of the police force and a son of Alderman Holloway: John Monaghan; Orlando Levy, ex-heutenant of the force.

> THE UNITED STATES COURT, JULY 1-HON. GEORGE S. BRYAN, JUDGE, PRESIDING.-The following business was disposed of to day: In the District Court .- The petition of Rich ard B. Carpenter for final discharge, was refer-

red to Registrar J. C. Carpenter, and a final hearing ordered on the 18th of July.

OUR SECURITIES AT THE NORTH .- The New York Herald of Tuesday, in its money article, says: The new South Carolina bonds have been put upon the regular call of the Stock Exchange. The following were the final street prices of the Southern list: Tennessee, ex coupon, 621:463; do., new, 572:58; Virginia, ex conpon, 58a59; do., new, 62a621; Georgia sixes, 84a85; do., sevens, 95a96; North Carolina, ex coupon, 594a594; do., new, 544a55; Missouri sixes, 911a924; Louisiana sixes, 721a78; do., levee sixes, 674a684; do. do., cights, 86a88; Alabama eights, 97a98; South Carolina sixes, old, 85a87; do., new, 1867, 83a84; do. do., 1869, 71 da 714.

BURGLIRIES. - The frequency of burglaries in our city is arousing serious attention, yet nothing can be done to prevent it, unless the citizens organize neighborhood patrols. It is useless to expect the night force to thoroughly protect the property of the people; their number is too small, and consequently the "beats' are very large. The following arrests yesterday by the detective force will give the reader some idea of the increase of this class of crime: Robert Lloyd, colored, arrested oy Officers Nipson and Coates; Daniel Cox, colored, arrested oy Officer Nipson; Peter Highgrass, colored, arristed by Officer Philippi; Abram Brown, colored, arrested by Officer Philippi.

HOTEL ARRIVALS, JULY 1 .- Charleston Hotel. Mrs. F. F. H. Peck, Savannab; H. Terry, Rogersford; P., C. McNelty, Savannah; Samuel Greene, Charlotte; John English, F. M. English, Columbia; Wm. F. SUMMER STYLES IN BONNETS AND HATS .-Very few straw bonnets are worn this summer, although the fashionable milliners display tastefully trimmed styles that are obsrming enough to please the most fastidious. The preference is given to lace, tulle or crape. The fluted straws are a novelty this season, and the rows of upright fluting across the top are separated by narrow ribbons or satin folds. The Fanchon is no longer the fashion, the

present style being the diadem shape, which, with its coronal of leaves and flowers, is very becoming to a pretty face, and adds a charm to a plain one. The most popular style of hat for travelling

in the country among the mountains, or for fishing, is the medium width brim, with a scarf of gauze or lace that can be used as a veil if desired. But for seaside wear the very wide brim is in demand, as it affords as much shelter from the sun as a parasol.

BUSINESS NOTICES.

CHOICE FAMILY LARD.—The refined family lard, packed in wood caddies by Procter & Gamble, of Cincinnati, is spoken of very highly. The caddy is so prepared that there is no absorption and leakage, the lard itself is a firstclass article, the packages are full weight, and are particularly adapted to hot climates. This lard can be obtained of all first class grocers.

Men's Furnishing Goods.-A lively estab lishment is Blackwell's new gents' furnishing store, in King-street, west side, one door be low Market-street. The motto there is big sales and small profits, and the latest and best styles of shirts, collars, drawers, ties, scarfs, gloves, hosiery, &c., are always on hand in endless profusion, and at surprisingly low prices.
